About Us

CQT Group consists of Ningbo Ivy Daily Commodity Co., Ltd. and Ningbo Ivy Auto Accessories Co., Ltd. Ningbo Ivy Daily Commodity Co., Ltd. was established in 2001, specializes in producing household products, while Ningbo Ivy Auto Accessories Co., Ltd. was established in 2015 focusing on auto accessories; The head-quarter is located in Ninghai county, Zhejiang province, and there are more than 300 employees within the company. So far, CQT Group has developed into a large-scale enterprise integrated R&D, manufacturing, and selling of household commodities and auto accessories. Outstanding product and service quality enable company's ability were recognized by the industry.

Over the years, company's products have been exported to more than 20 countries, like North America, Europe, the Middle East, etc. All of these products were trusted and favoured by foreign customers. When it comes to domestic market, CQT Group adjusts marketing strategy while keeping its business concept, and aims to bring excellent products and services to local customers, so that products will be utilized by millions of families in the future.

Our Value

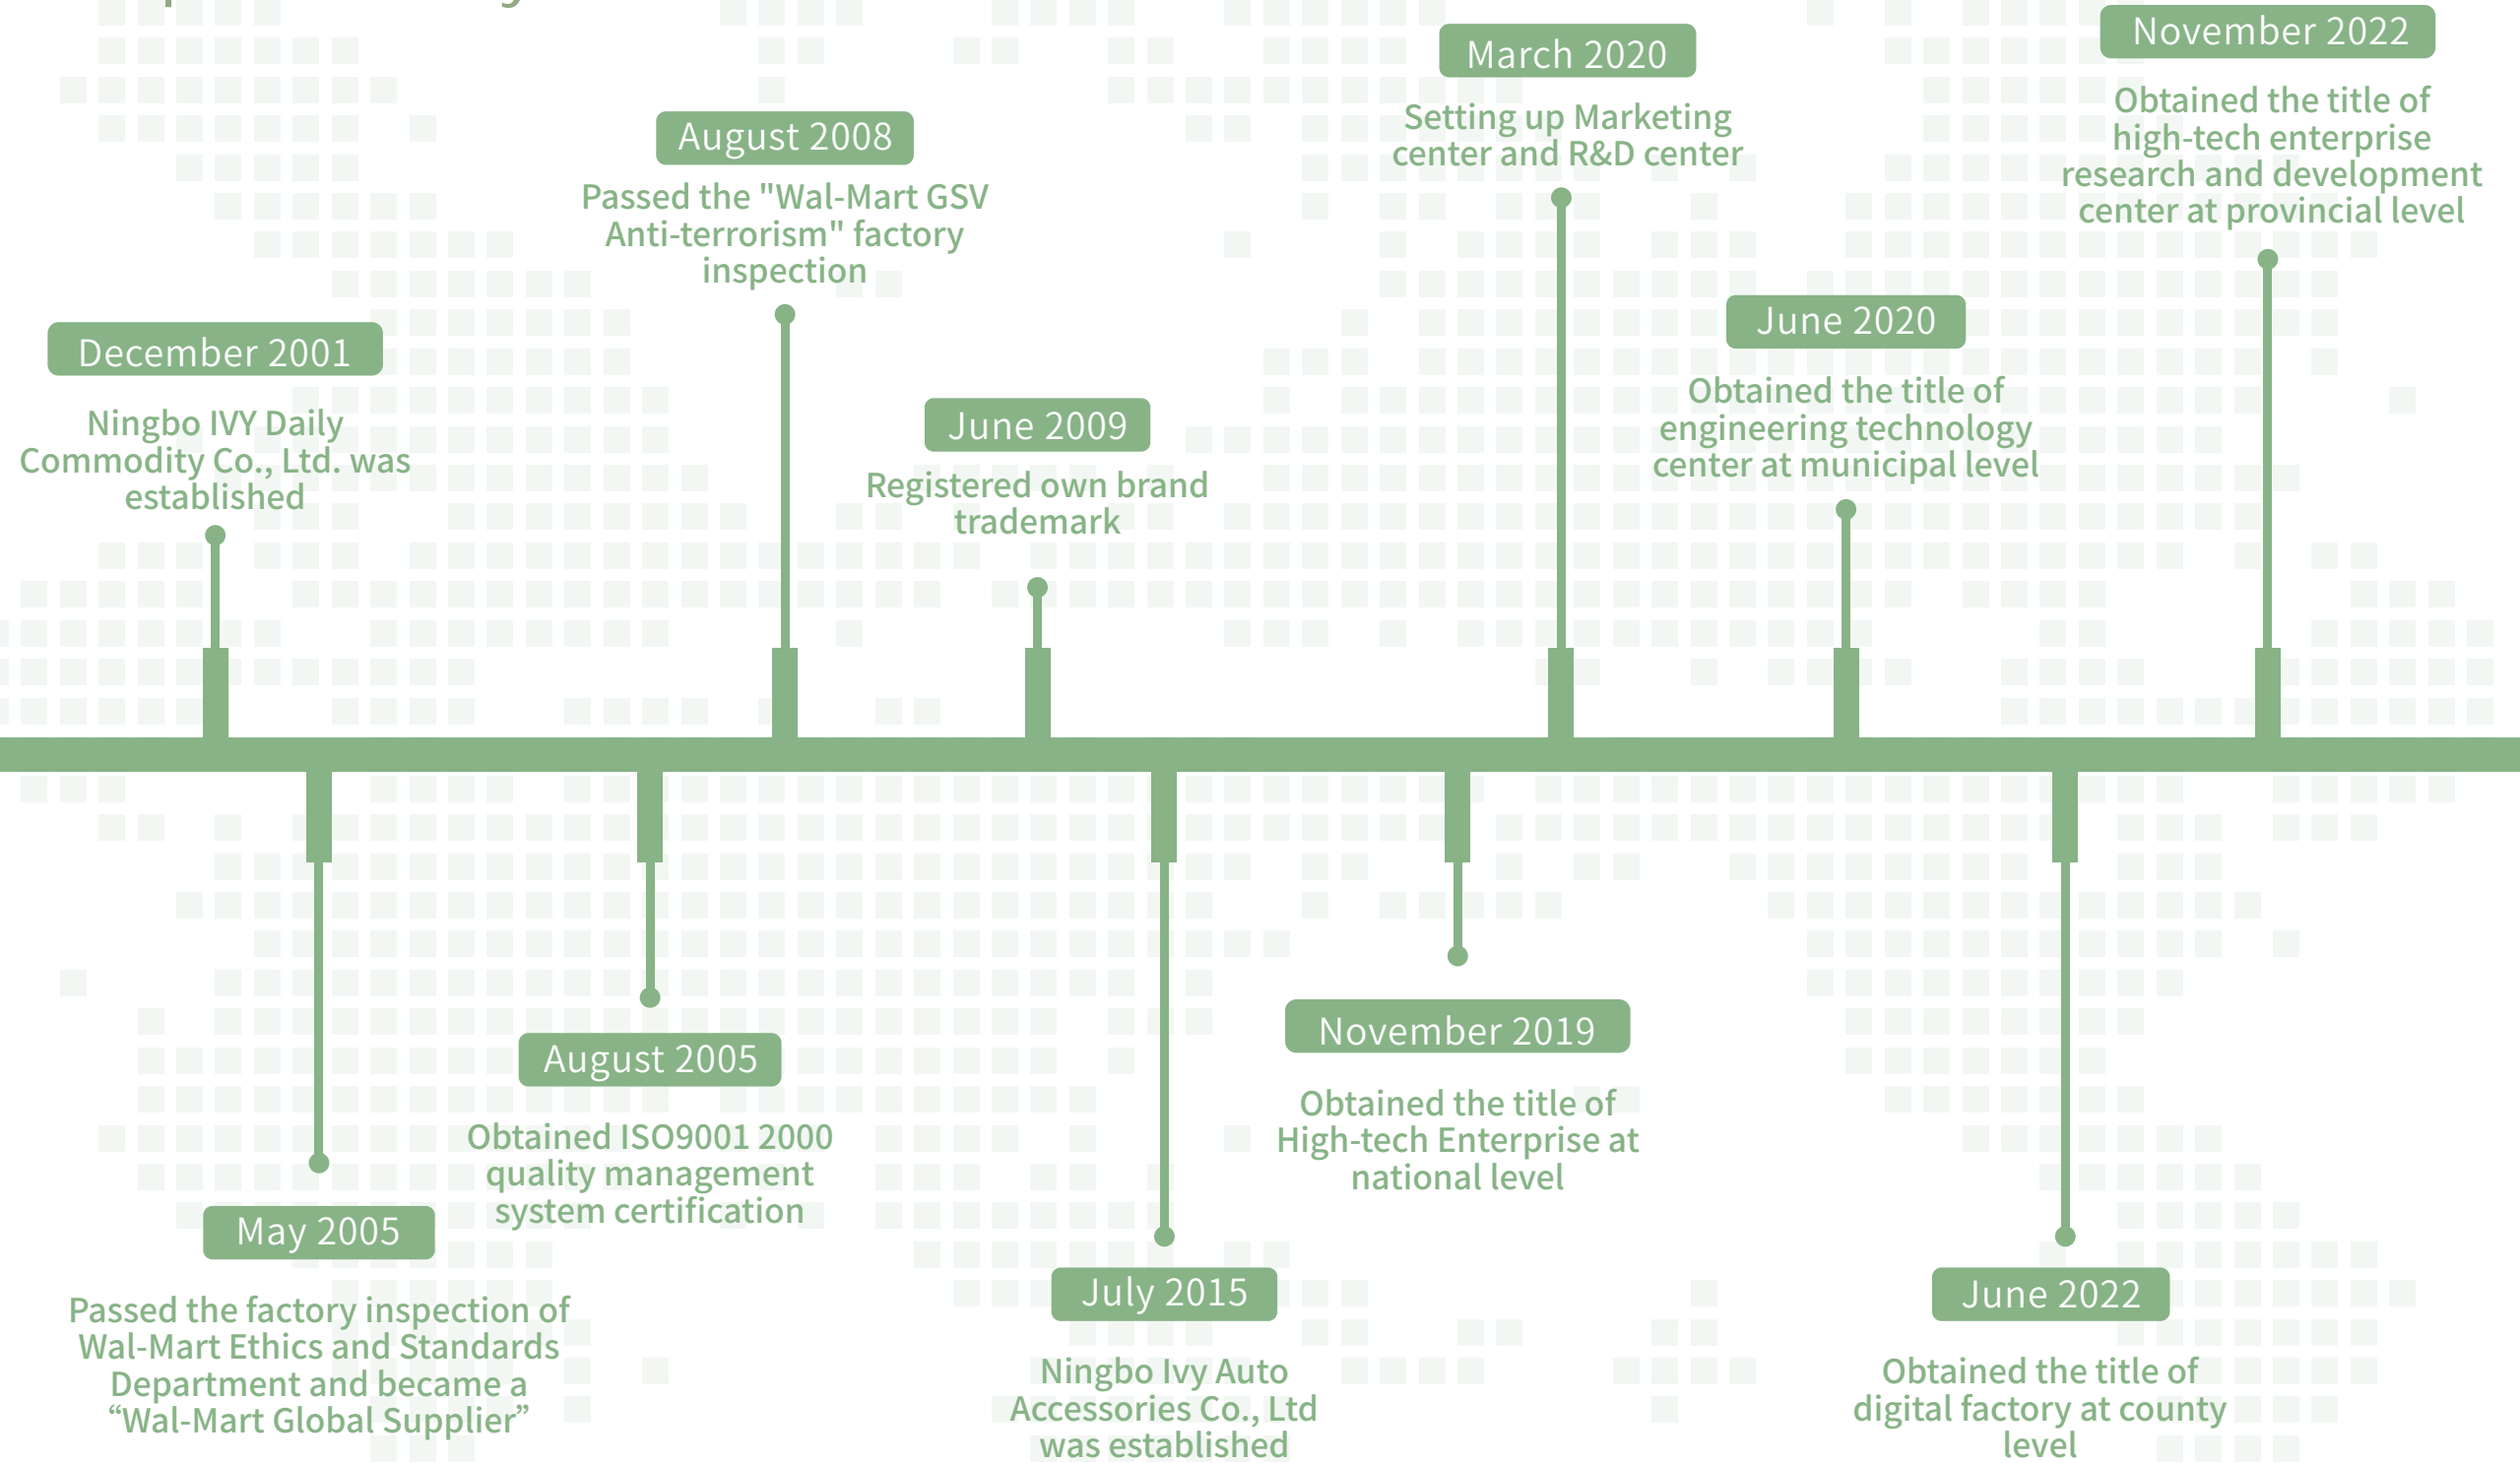

Philosopher John Stuart Mill once said
"All good things which exist are the fruits of originality."
and that originality is the spirit of CQT.

Being part of CQT members,
we thrive on curiosity,
which driving us to create breakthrough one after another,
we thrive on enthusiasm,
which motivating us to design every detail earnestly.

We always push ourselves to create the most excellent products
and services to every single family.

Create more
We will achieve our goals through the time.

Enterprise history

Advantage

Established: Since 2001

Team: Professional R&D, Production management, Sales team

Patented technology: 100+

International certification:

Why us

From R&D, mold development, manufacturing process, quality control, to raw material procurement, CQT Group has formed a series of high-standard service system.

To assure CQT Group will bring high-standard service for every customer, company has equipped with various of top-notch facilities, such as mold processing machines, five-axis CNC machining, automatic flocking machines made by Germany, Italy, and Belgium, as well as hundreds of injection molding machines, and totally 20 assembly lines ready for the production.

To even take services to another level, company has successfully implemented digital management, which enable company to achieve higher productivity, so as to maximize its potential. That's how CQT Group bring the best products and services to every customer, and it will never change.

Our vision

We not only want to become a super factory, but also a service provider offers one-stop services of R&D, production, procurement and transportation.
